

2012 ODBA OWG TRYOUTS

Team Tryout Dates:

Sunday, November 27th
Sunday, December 11th
Sunday, January 15th (if needed)

All tryouts will be at the RA Centre from 7am-9am

Registration for the tryouts is mandatory. No drop-ins will be accepted. No exceptions.

Registration Process: email kevin.willington@hotmail.com of your intent to try out. You should receive a confirmation of receipt of your registration within 24 hours. If you have not received a confirmation, please call me at 613 406 3320.

Registration closing date: All email registrations must be time stamped sent by the end of the day on Friday, November 25, 2011 (midnight). Snail mail or phone registrations will not be accepted.

Tryout Format:

The format will consist of players being divided into pools, and playing a round robin format for Singles and Doubles. There will no knock-out tournament format. Pools will be decided once all registrations have been received, and final pool selection will be made by the coach. Pools will be split where a balance of stronger players will be evenly distributed throughout the pools. The total points achieved in each of the pool will bear consideration, where a simple win or loss will not be the only weighting. There will be no mixed try-outs, as the mixed players will be derived from the singles and doubles players who make the team.

New Feather birds will be used for all tryout matches.

Where decisions could be close in points (as in a tie) as to who could make the OWG team, attendance of the OWG practices will have weight.

There will be no appeal process, as the majority of tryout weighting will be results orientated. The decision of the Coach is final, as the best interest of the OWG team will be the priority in weighing any close selections.

Thank you

Kevin Willington
