

**ODBA Application/Renewal for the
Badminton Ontario Insurance Program
1 July 2011 - 30 June 2012**

***To purchase club insurance, a club must be affiliated with the Ottawa district. However, as the insurance runs from 1st July to 30th June, these forms may be completed and the base insurance fee paid at the date necessary for your club booking/operation. Names can be sent when the club opens.

The insurance application and fee should be sent directly to ODBA- address below.

If a school board is requesting this certificate, you MUST fill out school board information.

The insurance program is purchased as a whole, which means you pay for all members. (Not selected ones who compete in our circuit, as their card covers their insurance.) This insurance covers your club. Anyone who enters your club should technically be a 'member' as you are liable for anything that happens to them while under your supervision.
