Deadline for claim your participation is May 31, 2018

Every year, at the end of the badminton season, the ODBA provides financial assistance to juniors who participated in High Performance tournaments. This program is meant to encourage more players to participate in High Performance events and support their development. A one page document describing the program and how to submit claims can be found at www.badmintonottawa.com/financial_assistance_policy.htm

This is a reminder **that the deadline to ask for financial assistance for such participations during the past season is midnight on Sunday May 31st.** Players who want to avail themselves of this opportunity should send their claim to the ODBA Director of Junior Development @ stephanegaumond@gmail.com before the deadline. When submitting your information, make sure to indicate the name to appear on the cheque along with the other information requested in the last paragraph of the policy. **Claims received after the deadline will not be considered** as money set aside for this purpose will already have been spent.
