

Ottawa Badminton Doubles League

I have acquired some court time at Maurice Lapointe High School for September 2014, and would like to start a Doubles League.

Location: 17 Bridgestone, Kanata (near the Superstore on Eagleson Road - Kanata South / Bridlewood area)

Format:

- Doubles Teams play against other Doubles Teams from around Ottawa (teams can represent their home club)
- A group of teams are placed within a similar ability level (tiered system)
- Tiers would be divided into Competitive, Recreational, and Social levels (depending on registration)
- Tiers play alternate weekends (eg Competitive 1st and 3rd weekend, Social 2nd and 4th weekend)

- you don't have to commit to every weekend like a club!
- you don't have to commit to the entire weekend like a tournament!

- League would run throughout Sept to April time range
- Stats, rankings, etc posted after every League Play
- Non-profit model implemented - yearly entry fee to cover court rental, shuttles, prizes etc
- Minimum age to participate is 16 years of age.
- Cost: Bi-weekly (20 weeks in a season), then approximately \$100 per player (\$200 for team)
- This League is not for top provincial level players competing at National Events & Tournaments
- Open to both genders, or mixed gender combinations; however, competing as doubles

- Matches are assumed to be plastic shuttles; however, if both teams agree, feather can be used

Your team could have matching shirts, Logos, names on the back of your shirt. Team Spirit prizes!

If you are unsure which tier you fit into, below are some examples: (roughly, depending on registration)

Competitive

- Red dot level at KBC
- Black tag level at Holy Trinity
- Laurentian and Westboro club players
- RA club players in the top tier of the Monday Night Ladder
- Mark Grantham B flight players
- Top players in most non-high performance community clubs

Recreational

- Yellow dot players at KBC
- Most club players
- Mark Grantham C flight players
- Some ODBA Social Tournament players

Social

- ODBA Social Tournament players
- Mark Grantham D flight players
- Green Dot players at KBC

This questionnaire is to find out the level of interest based on format and scheduling availability.

If the League moves forward, then players who have filled out the Questionnaire would have advanced registration priority.
