The player, who won the first place on each event, will be advanced to the Senior finals this Thursday at Confederation High School. The players who earned the top 3 position in their event have received a medal for today's achievement. Congratulations!

Many thanks to the players and coaches who had helped the court set up. Special thanks to Steve Sheppard, the coach of Earl of March High School, for updating the score sheet on the wall and stayed behind to help to take down the equipment; to volunteers Sue Pantel and Min Zhao for doing an excellent job on the draw desk. Thank you all!

The Team Championship was won by Bell with two 1st place, two 3rd place finishes.

Congratulations!
