Yesterday the Far West Junior Badminton Championship has ended at 3:10 pm It took a bit longer than last week because we have full draws of 13 schools.

Many thanks to players who showed up early and helped setting up the nets. Special thanks the coach of Earl of March Steve Sheppard who handled the updating the scores on the wall timely and accurately; he has provided overall assistance on running the championship including set up and take down the equipment. Volunteers Sue Patel and Min Zhao running the draw desk professionally! Thank you all!!
